THE GENIUS GRID

An Informative Highlight

GENIUS ABACUS 🧮 NEWSLETTER

THE ANNUAL SHOWCASE EVENT 2025

1st June , Jasper road public school

CELEBRATING CONFIDENCE, CREATIVITY, AND CALCULATIONS !!

MESSAGE FROM THE FOUNDER

Smita Mehra

As I watched the energy and enthusiasm light up the auditorium during this year's Annual Showcase Event, I was reminded of the purpose behind Genius Abacus. This event marked more than milestones; it celebrated a movement—of children embracing numbers fearlessly, of families growing together, and of women finding empowerment through education. I am deeply grateful to our team, franchisees, students, and well-wishers. The Genius journey is one of purpose, pride, and transformation.

EVENT OVERVIEW

Held with grandeur and heart, the event brought together 300+ attendees across our 13 thriving centres. Highlights included:
- 5 themed Talent Showcases displaying creative and cognitive brilliance
- 5 entrepreneurial stalls run by students
- Graduation of 15 learners across various abacus levels
- Presence of esteemed dignitaries who enriched the event with their insights

The event flowed through a beautifully choreographed sequence: welcome, recognition, showcases, business booths, competition highlights, awards, and expressions of gratitude.

TALENT SHOWCASES HIGHLIGHTS

Our students mesmerised the audience through five dynamic showcases of mental maths. They confidently solved complex equations on stage and demonstrated collaboration, enthusiasm and confidence infront of a large audience. These segments embodied the Genius belief—every child is unique, and every child deserves a stage.

MEET OUR FRANCHISEES

Our franchise partners are the beating heart of Genius Abacus. This event honoured our 11 franchisees, proud educators and parents who have built thriving centres with unwavering commitment Their work empowers communities and inspires other women to pursue leadership in education

DIGNITARY SPEECHES

A highlight of the day was the presence of influential guests who acknowledged Genius Abacus' impact:

Mr. Mark Hodges (MP, Castle Hill) Spoke on the importance of early skills education in shaping future-ready children.

Dr. Michelle Byrne (Mayor, Hills Shire): Applauded the courage and creativity shown by every child.

Mr. Holmes (Principal, Baulkham Hills North Public School): Emphasised the life skills built through Genius.

Councillor Reena Jethi: Spoke about Genius Abacus as a model for grassroots educational empowerment.

GRADUATION CEREMONY

With gowns, certificates, and proud applause, 15 students marked the completion of their Genius journey. Each name called on stage was met with cheers from proud parents and teachers, capturing a journey of resilience and growth. These were not just math milestones—they were confidence milestones.

We are proud and excited to see them flourish with the skills they have gained from our programs.

KID ENTREPRENEURS SPOTLIGHT

One of the most exciting segments was the Kid Entrepreneurs area —a buzzing student marketplace with numerous stalls. Students launched mini-businesses selling:

**Handmade jewellery and accessories*

** Skincare products and eco-friendly crafts*

** Keychains, bookmarks, and custom art*

** Crochet items & personalised gifts*

**Wellness services like yoga demos by the youngest certified instructor!*

The students handled planning, pricing, customer interaction, and sales—gaining practical entrepreneurial experience.

ANNUAL COMPETITION COVERAGE

18th May , Jasper road public school

The competition showcased what Genius Abacus is truly about: speed, focus and joyful learning. Students competed in rounds for their respective levels, vedic maths exams and mental maths exams under time pressure. Winners were honoured, but all students were celebrated for participating with heart.

PARTICIPATION, AWARDS & LUCKY DRAW

All students received personalised participation certificates acknowledging their effort and progress. Special awards included:

The day ended on a high note with a lively Lucky Draw that had students and parents cheering with excitement!

THANK YOU SUPPORTERS

We extend heartfelt gratitude to our generous partners and contributors:

Your support helped to make this celebration richer, brighter, and more impactful.

TESTIMONIALS & REFLECTIONS

Quotes from our community:

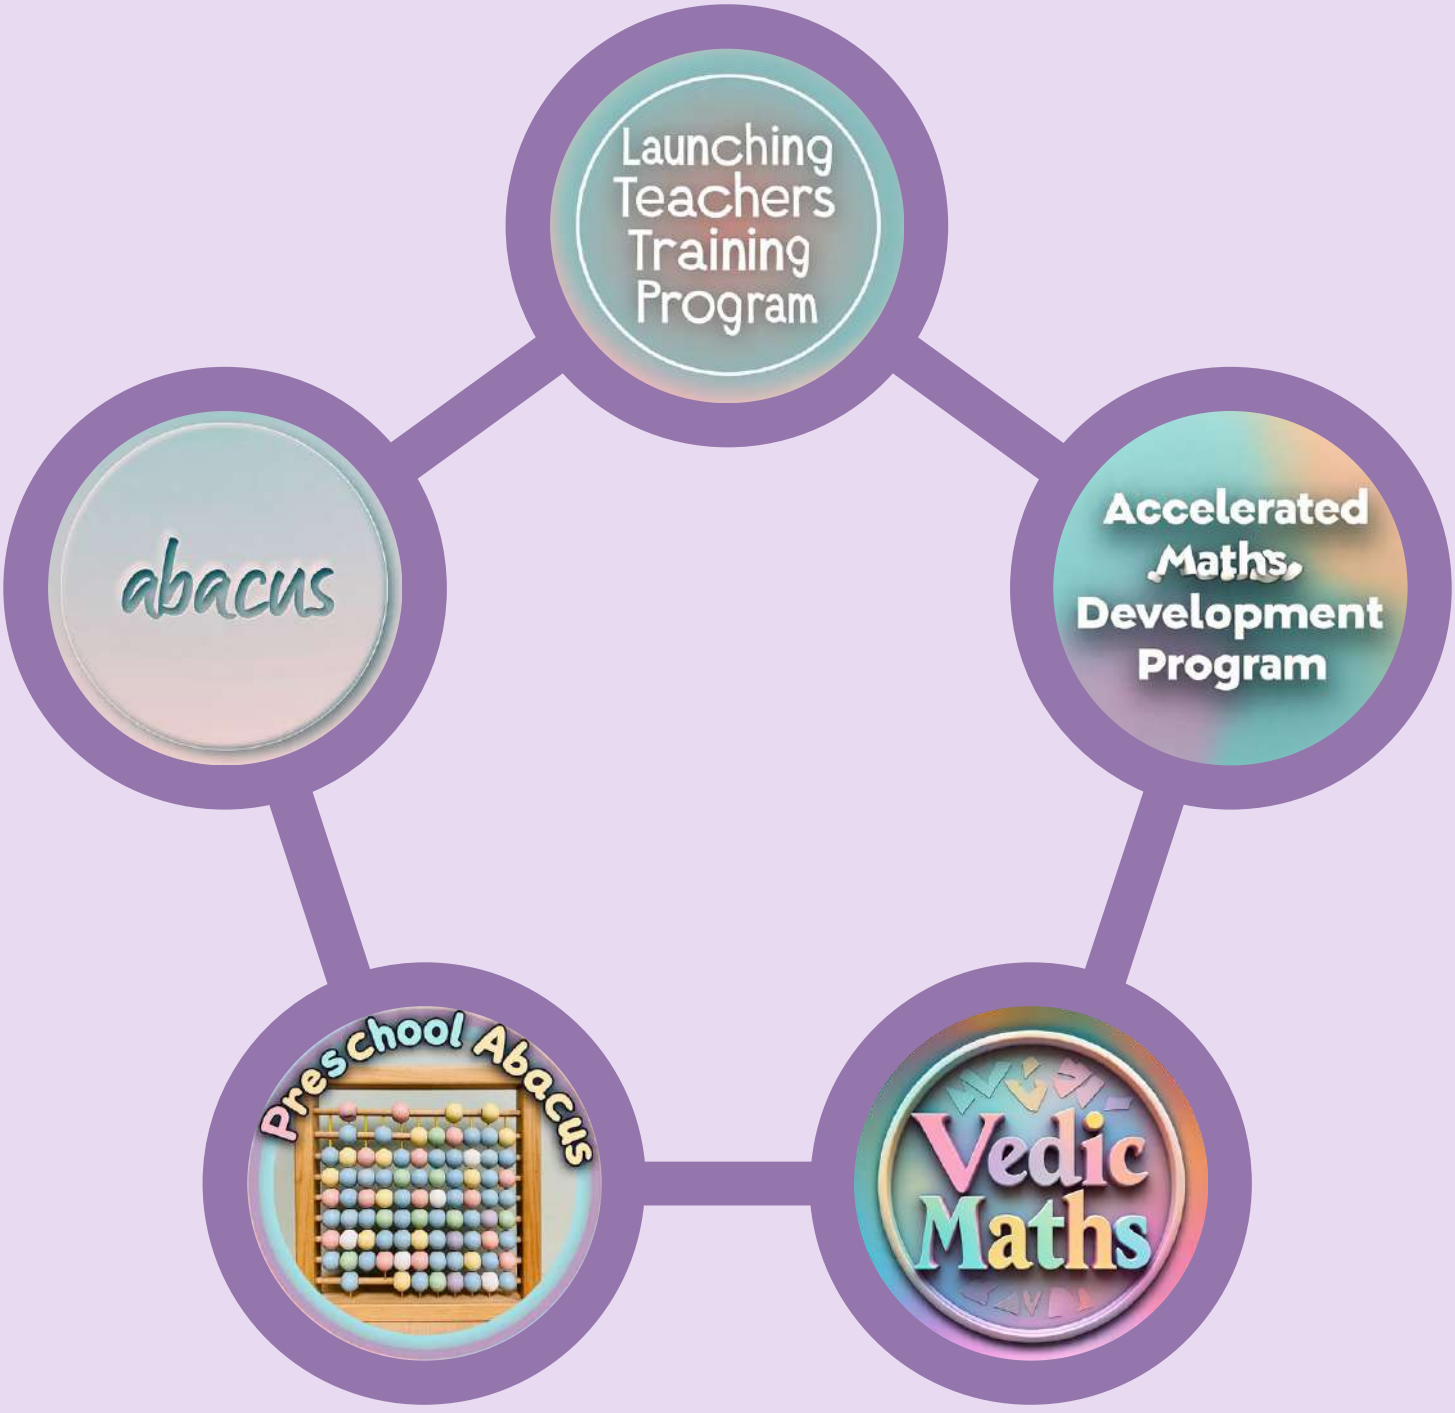
"This isn't just maths—this is magic. My child has bloomed."

"I've never seen my son so eager to speak on stage."

"I'm proud to be part of this movement—as a parent and a woman."

Reflections from franchisees, facilitators, and students filled this section with stories of change, growth, and gratitude.

OUR PROGRAMS



Genius
Learn.Achieve.Inspire

PRE SCHOOL ABACUS

Abacus trains children to perform calculations faster and better without the need for a calculator, ridding them of their dependency on technology and advancing their brains to work harder and faster. It gives the child confidence in themselves

ABACUS

Abacus is the solution to brain fog, burnout, distractions and the Abacus will help your child refocus their minds and become the logical thinkers they are destined to be!

VEDIC MATHS

Our Vedic Maths Course is designed to captivate young minds and ignite a passion for mathematics like never before.
Vedic maths - appropriate for high school preparation (short 6 month course)

Genius
Learn.Achieve.Inspire

ACCELERATED MATHS DEVELOPMENT PROGRAM

Accelerated maths development program is specially designed for year 5 and above students which is a perfect fast track mix of abacus and vedic maths, apt to get prepared for high school and fast track your competition preparation.

TEACHERS TRAINING PROGRAM

Teachers Training Program is acomprehensive training program to master the art of teaching abacus and vedic maths with extensive theory online sessions and practical in class sessions.

Join the Genius Abacus Journey!

We invite you to be part of a movement that transforms children through joyful maths and character-building. Whether you're a parent, educator, or aspiring franchisee—Genius Abacus welcomes you.
